OBJECTIVE

I am a highly driven and hard working individual, expressing my interest in any position that is available in your company. I aim to assist the organization wherever possible with my IT and Computer Literacy skills, seeking a position where I can lend my knowledge help your organization improve profitability. I am dedicated at learning and improving through the required position, by using the skills I have to enhance the working environment. Being granted an opportunity, I am very confident that I can make an excellent contribution to your company's operations in a given area.
